

This application uses numeracy skills from the following skills units:

- **Number A**
- **Calculation A**
- **Calculation B**
- **Calculator Use A**

Below is an invoice for you to complete by filling in the shaded areas.

You will need to find the total cost per item and apply a discount where given. Assume the customer pays the account in 30 days or less and so receives a further 8% discount on the total of the items shown.

Item Description	No. of Items	Item Unit Cost	Discount	Total cost for Item
Fence posts	248	\$ 3.85	10%	
Fencing wire	500m	\$ 2.19/m	5%	
Pliers	3	\$28.90	-	
3mm fencing nails	5 kg	\$ 7.99/kg	-	
Gates	4	\$42.75	10%	
Heavy-duty hammers	2	\$28.50	5%	
Concrete mix	6 bags	\$11.89/bag	5%	
			Total	
			less 8%	
			Final amount
